

**Lewis and Clark Interpretive Center  
Saturday, June 14, 2014**

Guests meet at 10:00 am to travel to the Lewis and Clark Interpretive Center and Fort Mandan located 40 miles north of Bismarck along the Missouri River. Step back in time when you visit the reconstructed Fort Mandan, the winter home of the Lewis & Clark Expedition from 1804-1805. The fully-furnished quarters bring to life what life was like for the brave men in the Corps of Discovery during that North Dakota winter over 200 years ago. A bag lunch will be provided. Interpretive presentations will be available in the afternoon, some of which allow participation.

**Who should attend?** Everyone not participating in the Technical Tours!

**GUEST ACTIVITIES**

**In addition to the activities detailed below, we hope to see you at the other conference activities. All agenda items are open to registrants and guests unless specifically stated otherwise.**

**Medora Trip  
Wednesday, June 11, 2014**

Meet at 9:15 am for a full day at North Dakota's historic Medora located in the Badlands. Guests can choose ahead of time to either golf at Bully Pulpit Golf Course or to spend their time shopping in Medora. Other options include a trail ride through the scenery of the Badlands and a bus tour of Theodore Roosevelt National Park with its breathtaking views, winding trails, and wildlife.

After a full afternoon of local activities, guests will gather for the Pitchfork Fondue and Medora Musical. Watch as steak is cooked on pitchforks and enjoy the down-home sides. Hot dogs are available for children. To complete the day, guests will enjoy family-friendly singing and dancing at the world-class Medora Musical set to the backdrop of the majestic Badlands.

Be sure to wear comfortable shoes and clothing appropriate for the weather. Sunscreen, sunglasses, and broad brimmed hats for the hot, sunny weather are suggested along with a sweat-shirt or jacket for late in the evening. Pants are suggested for those participating in the trail ride. Public restrooms are available.
